Casa Blanca Spa

Just a stone's throw south of CasaBlanca lies the Virgin River, a waterway that has played a central role in the legends and history of this colorful country.

Some two thousand years ago the Virgin River and its mineral-rich water attracted the first human inhabitants. The river, the Native Americans believed, possessed "puagant" or sacred powers. They called it the "River of Life". History repeats itself as CasaBlanca brings new life to the Virgin Valley.

"Taking the waters" at the Spa at CasaBlanca is an extrasensory experience. The aquassage water therapy treatment will revive and refresh you. A long, lazy soak in our heated mineral water soaking pools guarantee complete relaxation.

How To Spa

WHO WILL HELP ME DECIDE HOW TO CHOOSE MY TREATMENTS?

Our Spa Receptionist will help you plan the perfect Spa experience, including the best sequence for your treatments.

WHAT IF I HAVE SPECIAL HEALTH PROBLEMS?

Please notify a Spa Receptionist before booking your treatments if you have high blood pressure, allergies, other physical ailments or disabilities, or if you are pregnant. All Spa guests will be asked to complete a brief medical questionnaire upon check-in, designed with your well-being in mind.

MAY I REQUEST A MALE OR FEMALE THERAPIST?

Yes, of course, but we cannot guarantee the availability of a particular therapist or gender. Whether you choose a person of the same or opposite gender, all of our therapists are trained to drape towels discretely over areas of the body not involved with the treatment. We respect and protect your privacy at all times.

WHAT DO I WEAR DURING MY TREATMENT?

Most body treatments are enjoyed without clothing. Undergarments may be worn if preferred. Most importantly, wear what is comfortable for you. Please bring your swimsuit and sandals. We ask that guests shower prior to their treatments or using the pools. Towels, robes and lockers are provided for our guests with appointments.

WHAT ABOUT MY COMFORT?

This is your time and you should delight in the experience to the fullest. Whether it's the room temperature, the amount of massage pressure or the volume of the music... just tell us.

IS THERE A MINIMUM AGE?

All Spa guests must be at least 21 years of age. Salon services are available for all ages.

SHOULD MEN SHAVE BEFORE A FACIAL?

Shaving isn't necessary, but it is recommended. If you shave prior to your facial, be sure to do so at least two hours prior to your scheduled appointment.

WHAT IF I'M LATE FOR MY APPOINTMENT?

We suggest that you arrive at least 30 minutes prior to your first scheduled appointment so that you may enjoy our relaxation room, two mineral water soaking pools and eucalyptus steam room. Arriving late will simply limit the time for your treatment, potentially reducing its effectiveness and your pleasure. Your treatment will end on time so that the next guest is not delayed.

WHAT ABOUT PAYMENT FOR SPA SERVICES?

We accept all major credit cards and travelers checks. You may also charge Spa services to your hotel account.

HOW DO I MAKE A RESERVATION?

We suggest making all Spa reservations at least two weeks in advance. Not all treatments are available every day. For appointments call 866-401-6021.

WHAT IF I NEED TO CANCEL MY APPOINTMENT?

Because your Spa and Salon services are reserved for you, we ask that you notify us at least 24 hours in advance if you need to cancel or reschedule. Fifty percent of the value of your service will be charged for cancellations with less than 24 hour notice. All cancellations must be verified with cancellation number.

HOTEL GUESTS - We provide our hotel guests with use of the mineral water soaking pools and eucalyptus steam room for a nominal daily fee.

SPA HOURS - 7:00 am - 9:00 pm seven days a week.

Tips are not included in the cost of any Spa or Salon service and are sincerely appreciated. All Spa and Salon treatments and prices are subject to change.

All prices subject to change without prior notice.
